CHURCHWARDENS' REPORT.

TORONTO, APRIL 1st, 1907

TO THE VESTRY:

We, the Churchwardens, beg to submit our report for the past year. The year just closed embraced only 50 Sundays. The total offertory for the General Purposes amounted to $2,667.44, of which $1,479.42 was received through open contributions and $1,188.02 through the envelope system. The average collection per Sunday was $53.35, and the total expenses per Sunday amounted to $60.65, a weekly deficit of $7.30. After all expenses have been paid to date, Synod Dues and Assessments, except the Widows' and Orphans' Fund, we are glad to report a slight balance on hand, namely, General Purposes, $64.06, and Trust Account $143.47, total $207.53.

In reference to the Widows' and Orphans' Fund, our Assessment this past year was $229.64 and we, only receiving from our special appeal to the congregation $68.45, felt that we

could not pay out of the General Purposes Account the balance due.

During the year, through the efforts of a member of the congregation, we were able to secure a reduction of 10% on the Insurance of the Church and Sunday School. The lease of the Canon Scadding House having expired on 5th of March last, we secured a new tenant for two years at an increase of $10.00 per month for first year and $15.00 per month for second year over the old rental, which we consider is very satisfactory.

While it is very satisfactory to have a surplus, even though very small on the year's account, it must not be overlooked that the year just closed has been a very economical one, in the sense that no expenditure whatever, beyond the bare amount necessary to carry on the ordinary work of the Church has been expended. In the coming year, we think that something should be done to the foundation and floor of the Church, also a new sidewalk is necessary around the Church, estimate cost of same being in the neighborhood of $600.00, also minor repairs to the Sunday School.

We desire to place on the record of this meeting, the great loss the parish has sustained during the past year, in the death of the late S. G. Wood, who was for many years a Superintendent of the Sunday School and staunch supporter of the Church in every way. We also draw your attention to the fact that a memorial window has been placed in the nave of the Church by the family of the late Wm. Ince, who also was for many years, a fellow worker with the late S. G. Wood.

In closing our report, we desire to place on record our thanks to the ladies and each and every member of the congregation for their untiring efforts in promoting the interests of the Church and all good work connected therewith, also

Church of the Holy Trinity.

ORGANIST AND CHOIRMASTER.

A. R. BLACKBURN.

Mr. Blackburn has provided an Orchestra for each of the Festival Services during the year—Anniversary Service, Christmas and Easter

THE ORGAN.

The committee beg to report that only a portion of the work on the organ recommended at the last Easter Vestry Meeting has been completed. A new stop (Dolce) has been added to the choir organ, which is not only a beautiful soft-toned stop when used alone, but is most useful in accompanying some of the solo stops on the swell organ.

The present Trumpet stop on the great organ has been remade and revoiced, and is now a satisfactory stop. The work done so far will cost $100.00.

Early in the year the Churchwardens requested that the work on the organ be deferred for a time, as they expected to be called upon to make a large outlay for a new pavement and would necessarily have to make a special appeal to the congregation. Later it was decided to go on with the organ, but we found the builders were so busy that they could only undertake a part of the work before Easter.

It is hoped that the improvement will now be continued, the total cost of which will be about $600.00.

In addition to the amount now on hand for this purpose, and any further amounts which may be raised by entertainments, special subscriptions will be asked for.

Respectfully submitted,

A. R. BLACKBURN.

ENVELOPE REPORT.

At Easter, 1906, there were 63 envelope contributors, the income estimated at $1,031.80 per annum. This year there are 85 envelope contributors with income amounting to $1,198.20. Teachers of Infant Classes.

Miss Allingham	Miss Erickson	Miss Morgan
Miss Blackstone	Miss Hoare	Miss Latten
Miss Dean	Miss Leslie	Miss Turquand

This year has been one of the best in the history of the School in the way of results, and causes a just feeling of pride to those in charge. We have had a very steady and regular attendance on the part of teachers and scholars, and the new feature of Home work as a part of the "Leaflet" had led to further and increased effort on the part of the scholars. The improved "Leaflet" is a great help and our congratulations are due the Sunday School Committee and its excellent editor, Rev. T. W. Powell for the marked improvements.

Our teachers made an enviable record on the Advent Examinations. Miss Allan and Miss Gwatkin being ties for the Gold Medal. The Sunday School Committee decided to present Miss Gwatkin with the extra medal, so Miss Allan was the fortunate recipient of His Grace the Archbishop's Medal. Miss Allan having completed the three years course for the Honor Teachers' Examination, is now entitled to a beautifully illuminated and engrossed Diploma, signed by the Primate of all Canada, His Grace the Archbishop of Toronto. The distinction is the more noteworthy as Miss Allan is the first Sunday School teacher in all Canada to receive this mark of merit. Our School has too, the record now, of winning a medal for teachers, four years in succession. It is but fair to say, that the reward is but the result of good faithful work.

In the ranks of the teachers we regret the loss of the following : Miss Beavan, Miss Doherty, Miss Nealy, Miss Sutherland, Miss E. Baker, Miss G. Baker, Miss Pardoe and Miss Plaskett ; Mr. Booker, Mr. Earle, Mr. Mountain, and Mr. Noble, whilst we welcome, Miss Asbury, Miss E. Dean, Miss Dean, Miss Smith and Miss Sanderson and Mrs. Barrett. Our thanks are due to all who have given us temporary assistance on Sundays, especially the members of Miss Hutty's and Mr. Agar's classes.

The total number of infant's names on the Roll is Boys 34, Girls 39. Total, 73 ; and in the main school, Boys 67,

Girls 106. Total, 173. Grand Total of Boys 101, Girls 145. Total, 246. Average attendance about 200. We have nine officers and 21 teachers down stairs and nine up stairs. I regret that the constant exodus of English-speaking people from this part of the City is making a serious loss in the numbers left to attend this school.

The good work of the Junior Chapter of the Brotherhood of St. Andrew, in keeping the boys steadily at School and Church, is a help to the School that we must not overlook.

The Mission Work done by this School is most creditable. The Treasurer's report shows that a portion of money was sent to relieve famine stricken Japan ; another sum at New Year's to the Sick Children's Hospital, and a Chancel carpet given to the new Mission Church at Apsley, in this diocese, while a good sum is ready to be voted to some deserving object.

The School equipment has been increased by a substantial black board and a number of volumes have been added to the Library.

Other undertakings are being carried on by individuals of the School, that I do not feel able to report, but it all together makes me feel encouraged with the good work of our School and hope for many years of good work to be accomplished by our School.

BROTHERHOOD OF ST. ANDREW (SENIOR).

The Church Year just ended has on the whole yielded satisfactory results. Work has been carried on on similar lines to those in vogue previous to Easter of last year. Boarding houses in various parts of the Parish have been visited and a cordial invitation extended to young men, new arrivals in particular, to associate themselves with the Church of the Holy Trinity. Service Cards have also been handed to strangers in the Church. One of the Chapter members has for some time been visiting St. Michael's Hospital on Sundays, and others act as ushers at the Church Services.

To encourage the interest taken by the congregation in Brotherhood work, a supper was held last November, at which the Clergy, Wardens and a few others were present. Several of the ladies of the congregation very kindly lent their services and their efforts, as well as those of others who

contributed to a very enjoyable evening, were greatly appreciated by the Chapter.

Shortly before Saint Andrew's Day a service of initiation was held and two of the probationers raised to membership.

During the summer, sessions were discontinued for two months owing to the absence of several members from the city. During the year 30 meetings have, however, been held, the average attendance being six.

The prospects for the present year are good and it is anticipated that the efforts of the Chapter will fulfil all expectations.

JUNIOR CHAPTER.

Our Chapter was organized May 29th of last year and since then has gone steadily on. Meetings are held every Sunday afternoon at 4.15 p.m., immediately after Sunday School. The work done consists of looking up absentees from Sunday School and Church, and looking out for new boys. Another part of the work is getting the boys to attend the Holy Communion regularly, especially at Christmas and Easter. All our members are ready and eager to do the work, so we are hopeful for the future of our Chapter. At present we have 12 members and 4 probationers.

Delegates.....	Mrs. Clougher, Mrs. Brain, Mrs. Lye
Substitutes	Mrs. Ernest Blackburn, Mrs. Barber, Mrs. McPherson

The work of the Woman's Auxiliary from year to year is necessarily very much the same and this fifteenth year in the Holy Trinity Branch has been one of quiet effort and steady work.

There are 55 members on the Roll, including 12 Life-members, two of whom, Mrs. Clougher and Mrs. Cameron, were presented with the gold cross and certificate at the annual meeting this year.

The Branch has held 23 meetings since last October, 17 for sewing and 6 for business, with an average attendance of 17.

There are 38 subscribers to the *Leaflet*. Until Christmas the members worked for the Parochial Dorcas Society.

In November it was decided to begin work in the new year for the Spirit River Mission, and the bale sent out contained the most complete outfits of clothing for three children at the Indian School there, two girls and a boy. In addition to the garments, there were also three quilts sent.

One surplice was made by the Branch in answer to Archdeacon Lloyd's appeal. The December Board meeting was held in Holy Trinity Schoolhouse.

At the February business meeting letters were read from Rev T. J. and Mrs. Marsh also Mrs. Johnston, expressing their most grateful thanks for the splendid bale sent from Holy Trinity to Hay River, in April, 1906.

The meetings are held every Tuesday afternoon at two o'clock in the Bible Class Room, from October to April, the meeting on the second Tuesday of each month being for business, with tea served at its close.

At these meetings most interesting reports of the Monthly Diocesan Board Meetings are given by the Diocesan Representative.

New members will be gladly welcomed at any time, and any one interested in the work of the Auxiliary is most cordially invited to come to any of the meetings.

The Choir Guild which consists of a number of the ladies of the congregation, who generously give their time for making and keeping the choir vestments in order, and other work in connection with the choir, has met from time to time during the winter months and has been well attended. It is gratifying to know that the surplices and cassocks are in good condition. A number of new surplices have been made, the material for which has been supplied by members of the congregation. The Guild also wishes to thank other members of the congregation who very kindly helped them during the year. They will commence workagain early in the autumn, when the officers will gladly welcome any ladies who will assist in this work.

The past year has proved a very successful one for our Society, the following will suffice to show that the programme has been well arranged and as far as possible carried out. We had an interesting talk on "Birds" by Mr. Maughan, of the Educational Department; a "Mock Trial," a "Canadian Evening," an "Evening on Missions," and a Lecture by Rev. Mr. Brain on "How we got our Bible." The usual Pound Concert was held just before Christmas and also a Concert on February 12th, 1907, the proceeds of which were devoted to helping to purchase a piano for the school house, both of these Concerts were very successful. Visits were made to St. John's, Norway; St. Cyprian's, St. George's, St. Mary's, Dovercourt; St. Matthias' and St. James' Branches of the A. Y. P. A., and we have entertained some of these and other branches. The Lenten programme as usual was most interesting and instructive, addresses were given by Rev. A. J. Fidler, M.A., of Grace Church, Rev. W. H. Vance, B.A., of Church of the Ascension, Rev. W. L. Baynes-Reed of St. John's Norway, and Rev. L. W. Broughall, M.A., of St. James' Cathedral, the subjects being "The Churchmen's Reasons for loving his Church," "The People's Part in the Church's Worship,"

"The Value of the Church's System," and "Some Beauties of the Church's Worship," all of which were very ably dealt with by the respective lecturers, and much appreciated. In conclusion, full of hope for the future, we extend the hearty thanks of the Young People's Guild to each and everyone who have contributed in any way to the success of the past year.

GIRLS' FRIENDLY SOCIETY.

Our first work after meeting in October was for the usual Christmas tree—that is dressing dolls—don't imagine that these clothes are ever sewn on, they are all made most carefully, so that dolly may be dressed and undressed as her little owner is. We began with a social evening when we had the pleasure of having with us Mrs. S. G. Wood and Miss Halson, the latter telling us something of her tour through the North-West. We were specially interested in hearing of the Blackfoot Home, where we have our child, May Will-be-black. We are now busy making our yearly outfit for her. This Branch also sent in $13.00 for the Blackfoot Hospital, at the annual meeting last February.

Our members too, have become interested in the Temple Children, and were able to give to Miss Webster, a short time ago, three dollars towards the work of rescuing these liitle ones. We have responded to Miss Amy Wilson Carmichael's request—I think in the February *Leaflet*—that some prayer children should be taken, and have written for the names of two that so, we may be "God's remembrancers" by bringing them daily to Him.

We report seventeen members and four associates.

THE DORCAS SOCIETY.

The amount collected for the Dorcas Society during the year was $26.81.

Collected by Miss Selby	$11 00
" " Turquand	12 00
" " Leslie	3 75
Left over from last year	06
	$26 81

Of this money $26.75 was expended in clothing for the poor, and part material for the Mothers' Meeting, leaving a balance of six cents for the next season.

THE SEWING CLASS.

The Children's Sewing Class met again this year. Miss Leslie kindly took charge of the class, assisted by Miss M. Locke. The children made a number of aprons, several flannel skirts, and a quantity of dish and roller towels. At the final meeting, prizes of needlebooks, pin-cushions and books were given to the regular workers, and it being on a Monday night in Holy Week, the children were taken to Church instead of having their usual sewing meeting.

Commencing in November the Mothers' Meetings were held as usual every Thursday, and were well attended. The evenings were spent in making quilts for the missions.

A NEW DEPARTURE IN CHURCH WORK.

The Church of England Workingmen's Mutual Help Association which was organized in December last, is a new departure in church work. Its objects are, the care of the sick, and distressed, to secure work for the unemployed, and induce men to live upright, and useful lives.

In connection with our Association, we have a sick benefit fund, and a fund to help those in need. We helped a large number this winter, who could not otherwise have paid their expenses. At our first meeting December 2nd, 1906, we had a membership of nine, to-day we have on the roll, the names

of forty, all strangers. But the most important part of the work, is our Bible Class, which is largely attended, and is held in the Vestry of the Church at 3 o'clock every Sunday afternoon, to which we extend a cordial invitation to all men who are not aware that such a work and class is open to strangers.

On Easter Sunday we had the largest gathering of the year, Mr. Charles Lazenby, student at the Toronto University delivered the address, subject "Resurrection." To my knowledge five of the class partook of the Holy Communion in that morning, and many attended the Services, both morning and evening.

I wish to thank all, who so kindly helped me in my work, especially Mr. Lazenby, to whose efforts I ascribe the success of the class.

I would like to see occasionally among us, the Officers and Members of the Church; their presence would encourage and stimulate the members of the Class in their work.

I ask the prayers of all the faithful in the Church for God's blessing upon our work, that we may become a power for good among men, and in the Church. And to the members of the Class, I say—therefore my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, for as much as ye know, your labour is not in vain in the Lord.

C. McCoubrey,
President.

ANNIVERSARY OF CHURCH.

We beg to draw the attention of the Congregation to the fact that on October 27th, 1907, we complete the 60th Anniversary of the consecration of the church. We feel that the event should be marked in some suitable manner and trust every member of the congregation will keep in mind the coming Diamond Jubilee.

VOTES OF THANKS.

Moved by Mr. C. J. Agar, seconded by Mr. T. W. Barber, That the thanks of the Vestry be tendered to the ladies of the Congregation, who have, during the past year, taken part in the work of the Parish, and practically in making collections and decorating the Church at various times during the year.

Moved by Mr. T. W. Barber, seconded by Mr. C. J. Agar, That the thanks of this Vestry be tendered to the Organist and each member of the Choir, for their service so efficiently rendered during the past year, and to Mr. A. R. Blackburn especially for his liberality in supplying extra instrumental music on various occasions.

Moved by Mr. H. N. Crossley, seconded by Mr. T. W. Barber, That the thanks of the Vestry be tendered to Mr. J. S. Simmons, for the loan of many beautiful Palms at various times during the year.

Moved by Mr. Barber, seconded by Mr. W. R. Cavell, That the thanks of the Vestry be offered to the Churchwardens for their very able and efficient services during the past year.

THE LATE S. G. WOOD.

Copy of Letter of Condolence sent by the Vestry to Mrs. S. G. Wood.

The parishioners of the Church of the Holy Trinity now assembled at their Easter meeting desire to place on record their high estimation of the Late Mr. S. G. Wood, who for so many years was a devout member of this congregation, and the Superintendent of the Sunday School, and they wish to assure Mrs. Wood that the entire devotion of her departed husband to the duties which he assumed will never be forgotten by those who knew him, and that his memory will be cherished as that of a true and faithful son of the church. "The souls of the righteous are in the hand of God."
